- Eleven visits within the first 23 months of life; two visits per year ages 2-3; one visit per year ages 4 through 17; two visits per year ages 18 and over.
 - Hemoglobin, hematocrit, CBC, only once between 6-24 months. Females, only performed if pregnant, once per pregnancy.
 - Lipid screenings begin at age 20.
 - Pap smears are recommended only for women age 21 to 65 once every 3 years, or for women ages 30-65 who wish to lengthen the screening interval, screening with a combination of cytology and HPV testing every 5 years.
 - Pelvic and breast exams are available for females beginning at age 12 if medically appropriate.
 - HIV screenings are for adolescents and adults aged 15 to 65 years. Younger adolescents and older adults who are at increased risk should also be screened.
 - Hepatitis C screening is a one-time screening for adults born between 1945 and 1965.
 - The USPSTF recommends biennial screening (once every 2 years) for women aged 50 to 74 years.
 - Bone density studies are covered for women once every 2 years beginning at age 60.
 - Flexible sigmoidoscopy and colonoscopy screenings begin at age 50. Additional screenings for individuals considered to be at high-risk for colorectal cancer may be covered under the medical portion of the Plan. High-risk individuals are defined as a:
 - Strong family history of colorectal cancer or polyps (in first-degree relative younger than 60 or two first-degree relatives of any age). A first-degree relative is defined as a parent, sibling or child.
 - Known family history of colorectal cancer syndrome
 - Personal history of colorectal cancer polyps.
- A gastroenterology consult prior to a colonoscopy is not covered under a wellness visit.

Beginning at age 20, the following biometrics are required to be collected for a compliant wellness visit: height, weight, blood pressure, A1c, total cholesterol (HDL, LDL), triglycerides and tobacco usage.

- Preventive Wellness Guidelines are based on recommendations from the following:
- U.S. Preventive Services Task Force (USPSTF)
 - Centers for Disease Control and Prevention (CDC), Advisory Committee on Immunization Practices (ACIP)
 - U.S. Health Resources & Services Administration (HRSA), Preventive Care and Screenings of Infants, Children and Women
 - National Medical Societies

Call your primary care network provider to schedule your wellness visit. To locate a network provider, call 800-294-6307 or go to the "Provider Search" tab at <http://KnowYourBenefits.dfa.ms.gov/provider-search/>.
